Aged Care Services

Our dedicated team of allied health specialists, including Occupational Therapists, Physiotherapists, Psychologists, Speech Pathologists, Therapy Assistants, and Accredited Exercise Physiologists, specialise in the delivery of first-class in-home supports to help older Australians live independently while staying connected to the people and activities they enjoy.

Our Services

Through collaborative assessment and consultation, we work closely with each client to develop tailored therapy programs that empower older Australians to live independently and stay connected to their families and communities.

Occupational Therapy

Our Occupational Therapists focus on enhancing independence and quality of life by addressing challenges related to daily activities, mobility, pressure area management, and environmental adaptations.

Speech Pathology

Our Speech Pathologists assist individuals in maintaining or improving communication skills, swallowing function, and cognitive-linguistic abilities. We can also assist with communication devices.

Exercise Physiology

Our Exercise Physiologists design tailored exercise programs aimed at improving mobility, strength, flexibility, balance, and overall fitness, promoting optimal aging and chronic disease management.

Psychology

Our Psychologists offer compassionate counseling and psychological interventions to assist with a range of mental health conditions, as well as coping strategies, and adjustment to life changes.

Physiotherapy

Our Physiotherapists specialise in promoting physical well-being through targeted exercises, mobility training, pain & pressure area management & fall prevention strategies. We can conduct fall assessments as well as provide recommendations for assistive equipment, such as wheelchairs & walking frames.

About Patches Australia

Our vision is an Australia where everybody has access to high-quality assessment & therapy services.

Over the past decade, our passionate team of allied health, medical, and psychology professionals have helped to enrich the lives of thousands of Australians through exceptional assessment and therapy services.

We help people of all ages and abilities to reach their goals, through client-centred therapy and supports. We want to see people lead happier, more independent lives.

How are our services funded?

Our services are subsidised under the Commonwealth Home Support Programme (CHSP). Please contact our friendly team to learn about subsidised services available under the CHSP. Private billing is also available.
